Message from the Board...

Let us begin by thanking all of those who came out to help during the neighborhood work day. With several acres of green space and two large ponds, keeping Homestead beautiful is no easy task. This

workday we had more than 15 neighbors come out to lend a hand and we greatly appreciate their efforts.

We also want to thank everyone who has been helping out around the pool this season. **Dale Srnka** has been managing life guards and pool fobs, **Tracy Stoddard** has been handling swim parties and the swim team, and **Nancy Stark** has been diligently working to keep the pool area clean and the flowers blooming. You may have also noticed over the winter the pool house restrooms were refreshed. We appreciate everyone's hard work on that project as well.

Finally, a note on safety and speed through the neighborhood--As summer is in full swing there are many kids running, riding their bikes and playing ball in the streets. Please exercise caution when driving and obey posted speed limits and stop signs. Parents of teenage drivers, please speak to your driving teens about the importance of following our driving laws. We want to make sure our children are as safe as they can be as they enjoy their neighborhood.

P.S.-Watch for upcoming information on Movie Night at the Pool this summer!
