A Message From The Board...

We would like to begin by thanking two neighbors who have been making a difference in the neighborhood. **Rick Smith** has generously been donating his time on the weekends to re-paint the metal light poles in the neighborhood, and they look great!

We would also like to thank **Dale Rogers**. Dale has been working on several projects around the neighborhood pertaining to some lighting and plumbing issues. We appreciate all that both of these gentleman do!

Finally, one of our board members had an opportunity to speak to the Major over patrol for the Edmond Police Department. The question was asked: What can neighborhoods do to lessen the potential for crime? His number one answer was to install a gate. His second answer was much easier though. He stated that the most effective action an individual can take is to leave outside lights on. You can purchase a variety of easy to install timers or photo-sensors to make this an easy task, and the advent of LED bulbs significantly reduces the amount of energy used. I hope you will join us in leaving your porch and garage lights on!

Regards~Homestead HOA Board

PS~Thanks also to **Rob Sparks** for replacing the American flag in our front entrance!
